(1) The 2020 Census data shows a significant increase in the population of the city. The population has grown by 10% since the 2010 Census.

(2) The reasons for this growth are multifaceted, including improved healthcare, better education, and increased economic opportunities.

(3) However, this growth has also brought challenges, such as increased traffic and housing demand.

(4) As a result, the city is working on developing strategies to manage this growth while preserving its quality of life.
